

**JORNADAS DE CARDIOLOGIA
DO SUL E REGIÕES AUTÓNOMAS
/ SOUTH SIDE OF THE HEART**

21-23 OUTUBRO 2021

FRIDAY >> 22 OCTOBER 2021

ON LINE

9:00 Opening Session

9:10 **Presentation of the best clinical cases for the South and Autonomous Regions Award 2021**
(5 melhores casos clínicos; prémio livro técnico à escolha)

10:00 >> BREAK >>

10:30 Roundtable - ACUTE PULMONARY EMBOLISM AND PULMONARY HYPERTENSION

10:30 *How to create a PERT in my hospital? Is it necessary?*

10:45 *How to identify patients that will benefit*

11:00 *Early diagnosis of post thrombotic syndrome after acute PE*

11:15 *Head to potential curative treatment – BPA vs PEA*

11:30 *Medical therapy in CTEPH patients: anticoagulant options and role of pulmonary vasodilator therapy*

11:45 *Discussion*

12:30 **Conference**
TBA

13:00 >> LUNCH >>

14:00 Roundtable - CORONARY DISEASE - THE CLINICAL TRIALS THAT MARKED 2020

Crossfire: When to perform percutaneous coronary interventions in different clinical settings.

14:00 *Invasive strategy versus optimal medical therapy in stable coronary artery disease: Insights from the ISCHAEMIA trial.*

14:20 *Should complete revascularization be the norm after PCI for STEMI? The COMPLETE trial.*

14:40 *Discussion*

Crossfire: How to manage long-term antithrombotic therapy

15:00 *Long term double antiplatelet therapy with ticagrelor 60 mg: when? And what about ticagrelor monotherapy?*

15:20 *Long term double antithrombotic therapy with low dose Rivaroxaban: who can benefit the most from this strategy?*

15:40 *Discussion*

16:00 >> BREAK >>

16:30 Roundtable - CARDIAC IMAGING - STRUCTURAL INTERVENTION

16:30 *Severe aortic stenosis: role of cardiac imaging in risk stratification - beyond aortic transvalvular flow*

16:45 *My patient has severe aortic stenosis, does he have cardiac amyloidosis? How can cardiac imaging help?*

17:00 *Functional mitral regurgitation: what is the role of cardiac imaging in patient selection for percutaneous treatment?*

17:15 *Discussion*

17:30 **Conference**
TBA

18:00 >> CLOSURE >>

**JORNADAS DE CARDIOLOGIA
DO SUL E REGIÕES AUTÓNOMAS
/ SOUTH SIDE OF THE HEART**

21-23 OUTUBRO 2021

SATURDAY >> 23 OCTOBER 2021

ON LINE

9:00 Roundtable - HEART FAILURE - EVERYDAY CHALLENGES

- 9:00 *Heart failure therapy with intermediate systolic function - what is the scientific evidence*
- 9:20 *Heart failure with severe renal dysfunction - safety and efficacy of the therapy*
- 9:40 *Hyperkalemia in Heart Failure - what is the limit and how to act*
- 10:00 *Palliative Care in Heart Failure - when to refer and what to expect*
- 10:20 *Discussion*

**10:45 Conference
TBA**

11:15 >> BREAK >>

11:30 Roundtable - ARRHYTHMOLOGY

- 11:30 *How to assess a Patient with Atrial Fibrillation*
- 11:45 *Atrial fibrillation: Integrated treatment*
- 12:00 *Atrial fibrillation: When to refer for ablation*
- 12:15 *WPW - Management of the asymptomatic patient - Recent evidence*
- 12:00 *Discussion*

12:50 Award Ceremony: South and Autonomous Regions Award 2021

13:00 >> CLOSURE >>
